

## Training Options in The Resource Center

1. Click the  icon located on the bottom right of the Discharge application. The **Resource Center** displays.
2. Click the **CarePort Discharge Reporting** section. A list of **Videos** and **Training Materials** displays.

## Discharge Reporting Dashboard Videos

To learn about the Dashboards and how to use them, we suggest you take the videos in the following order:

1. Discharge Reporting Introduction Video
2. Application Usage Analysis Video
3. Discharge Summary Video
4. Discharge Network Analysis Video
5. Multi-Facility Decline Analysis Video
6. Readmission Analysis Video
7. Referral Trend Video
8. Patient Details Video
9. Single Decline Analysis Video

## Discharge Reporting Training Materials

**CarePort Discharge Reporting User Guide:** This is a comprehensive guide about **CarePort** Discharge Reporting and is meant to be viewed in its electronic PDF format.

**Overview of CarePort Discharge Reporting Guide:** A high-level overview of each Dashboard. This can be printed as a reference while watching the videos.

## Client Support Team

Contact our Client Support Team for any questions you have about Discharge Reporting.

1. Click the **Settings**  icon and select **Contact Client Support**.
2. Enter your comment/question/concern and click **SUBMIT**. A **Support Ticket** will be created, and an email will be sent to you.
